### WHAT CAN I DO TO HELP?

**Pray**  
Ask, "Lord what do You want to do through me to fulfill Your will in our church?"

**Give**  
Your generous support will help set an example for our congregation and inspire others to give generously.

**Encourage Others**  
Speak positively with others and encourage them to prayerfully consider their own gifts.

Building Our Future

Over the last month, there has been a lot of progress on the campaign. Sixteen separate information meetings were hosted at houses of families around the parish, Pee Wee's Place, Orchard Clubhouse and Noll Hall to share plans, answer questions and listen to input from nearly 400 parishioners. Successful conversations with some of our most capable donors occurred. Our Construction Team, staffed with parishioners who double as professional architects, engineers, builders, excavators and more, have been busy reviewing the projects to complete the work in a timely and cost efficient way while providing a holistic vision of the current and future needs. Professional assessments are underway to support the early projects and give an overall review of the property. Plans to begin work on the HVAC, roof and STEAM lab are already underway so that these projects can begin as soon as possible. The new office building and church/hall additions are coming to life with visual renderings. There is a lot going on all with the goal of improving our facilities to better meet the needs of each parishioner.

From Our Chairs

Leading this campaign is the answer to many prayers for me. I retired a year ago and had been praying for at least a couple years before that, for God to help me understand how I should serve Him in this transition period. What a blessing to have such clarity in my calling. And what a blessing to be part of this amazing work; work which will serve all of us in serving Him for many years to come.

Paul Ritter, General Co-Chair

I feel so fortunate to be a part of this campaign! St. Joe's is my home and has been for my family for 4 generations. Through the school, festival, Bible Study, Sunday Mass and more. St. Joe's and its community are constantly giving to me and my family bringing fulfillment to our lives. This opportunity to give back to the parish and the Catholic Church is one I will always say yes to. On top of that I am so excited to raise funds for these projects that will give our parish the facilities it needs to help bring more people to Christ. Thank you for entrusting me in this leadership role. I hope and pray to serve you well.

Julane Becker, General Co-Chair
