

Walking With Purpose 2025-2026 Registration

Thank you for registering for Walking With Purpose. We are excited for another year connecting with each other and growing our faith. This year we will be offering two studies; *Opening Your Heart* study (for those who are new to Walking With Purpose or those who have not completed this study) and *Touching the Divine* (for those who have completed the Opening Your Heart study.)

Opening Your Heart, our foundational study, is perfect for a woman new to WWP (with or without Bible study experience). We invite you to be amazed at how Scripture applies to your everyday life.

Touching the Divine focuses on the many qualities of Jesus revealed through the Gospel of John. This study draws us into a deeper, loving relationship with Jesus as we reflect on His life and personality.

The cost of the study is \$45 to cover the cost of the books. Please complete this form along with your payment of cash or check in a marked envelope through the weekly collection or drop it off in the parish office. If you are unable to cover the cost of the registration, please reach out to Tina Klare in the parish office for assistance.

Register by September 10th to order books through the parish and save on shipping and taxes. If you register after September 10th, you will need to purchase your own book. We will begin meeting on Sept 24th and 25th and will send more details as we get closer.

The groups will be meeting in Noll Hall. No childcare is available. For questions or comments, contact Nancy Metzger at mamamet@yahoo.com.
